

Product Description

- Shoulder Split Leather with Cotton Knit Wrist
- Cotton canvas back
- Clute Cut Pattern
- Large
- Import

Applications

Clute Cuts are primarily used as a replacement for canvas or double palm gloves, as they are a general purpose work glove. They provide greater protection and abrasion resistance than the fabric gloves. For industries including construction, warehouse, furniture manufacturing, automotive, shipping, masonry, steel industry, aerospace, and more.

Packaging

- Sold by Dozens

Care

Use Saddlesoap, blot on, gently brush, Wipe off all soaps suds. Allow gloves to air dry.

TECHNICAL INFORMATION

Leather Palm Clute Cut

Clute Cuts tend to be more comfortable than Gunn-Cuts. This is due to the absence of a seam at the base of the two middle fingers, and the greater ease of movement due to the lighter materials.
